

The British Columbia Ministry of Energy and Mines and the MEND Program in association with the Technical and Research Committee on Reclamation present the:

9th ANNUAL BRITISH COLUMBIA ML/ARD WORKSHOP

**December 4 and 5, 2002
Simon Fraser University at Harbour Centre
Room 1900, 515 West Hastings Street
Vancouver, BC**

The topics to be covered are:

Biological Treatment, Case Studies in Prediction and Mitigation, and Ongoing Research.

As soon as the speakers list is finalized, the agenda will be posted on: <http://www.em.gov.bc.ca> and <http://mend2000.nrcan.gc.ca>. After the workshop, a copy of the presentations will be mailed to all registrants.

Please register in advance by mailing the registration form and a cheque in the amount of \$100.00 (Canadian) payable to the "TRCR - ARD Workshop" to the MEND Secretariat in Ottawa. For further information please contact:
